I put your record on
but it wasn't the same
It was our favorite song
now it's so over played.
And I've been taking a look back at where we've been,
I wouldn't change it, I'd do it again.

Chorus:

Those sleepless nights when we talked for hours,
you and me made an endless summer,
I always thought we'd be together,
always doesn't last forever.

What would you do for another day,
alive and out on the run,
I wouldn't have it any other day,
just livin' for the moment.

I've been taking a look back at where we've been,
I wouldn't change it, I'd do it again.

Chorus:

Those sleepless nights when we talked for hours,
you and me made an endless summer,

always doesn't last forever.

In those sleepless nights when we talked for hours,
you and me, it never felt better
'cause I always thought we'd stick together
but always doesn't last forever.

Always was just a summer,
making plans and trading numbers, we had it all,
but ended up just saying goodbye.
And now we're taking a look back at where we've been,
I wouldn't change it, I'd do it again.

Chorus:

Those sleepless nights when we talked for hours,
you and me made an endless summer,
I always thought we'd be together,
always doesn't last forever.

In those sleepless nights when we talked for hours,
you and me, it never felt better
'cause I always thought we'd stick together
but always doesn't last forever.
