Used again  
It's not easy to sit and pretend  
When I'm alone in this  
I don't know why, but I'm still not over it!  
I looked in your eyes and I felt something  
I've never felt, I've never known  
Chorus:  
And don't know I can sleep  
When you're not next to me  
Let your clothes on the floor  
And your heart on my pillow.  
I don't want what you left,  
What you're taking from me  
When it's over, it's over  
You let your heart on my pillow, noo!  
We thought that you can bring me in and sell me all  
your lies  
Should have known that it was just enough to draw me  
in  
And I looked in your eyes, thought I felt something  
I've never felt, I've never known  
Chorus:  
When you're not next to me  
Let your clothes on the floor  
And your heart on my pillow.  
I don't want what you left,  
What you're taking from me  
When it's over, it's over  
You let your heart on my pillow, noo!  
I'm glad I'm not the only one who's ever had to feel  
Like I'm happy of what I was  
We're only happy it was real!  
But I just wanted to let someone  
And I just wanted to trust someone!  
Chorus:  
And don't know I can sleep  
When you're not next to me  
Let your clothes on the floor  
And your heart on my pillow.  
I don't want what you left,

What you're taking from me  
When it's over, it's over  
You let your heart on my pillow, noo!
