Take another trip down a one way road,
So conditional I think I may explode (uh-oh).
Gave me nothing to love,
Nothing I can hold onto.

Lead me to the water I don't want to drink,
Penalty flag for the right to (uh-oh).
Now enough is enough,
Nothing I can hold onto.

I am free, I'm free without you,
I am free, I'm free without you.

Throw the past down in a wishing well,
Your paranoid life is a living hell (uh-oh).
Gave me nothing to love,
Nothing I can hold onto.

Will ya lead me to the water I don't want to drink?
Penalty flag for my right to think (uh-oh).
Now enough is enough,
Nothing I can hold onto.

I am free, I'm free without you,
I am free, I'm free without you,
And it's times like these that make me see,
How free, how free I'm gonna be without you.

Well this is the end of the hypocrisy,
I'm gonna watch it burn, gonna watch it burn.
Is the end of the hypocrisy,
I'm gonna watch it burn, gonna watch, watch it burn.

It's times like these that make me see,
How free, how free I'm gonna be without you.

I am free, I'm free without you,
I am free, I'm free without you,
And it's times like these that make me see,
How free, how free I'm gonna be without you.

This is the end of the hypocrisy,

I'm gonna watch it burn, gonna watch it burn.
