(a) (crush)  
(a) (crush)  
(a) (crush)  
(a) (crush)  
It's just (it's just)  
a little crush (a little crush) (a little crush) (a little crush)  
(a) (crush)  
It's just (it's just)  
some little thing (some little thing) (little thing)  
(little thing) (little thing)  
(a) (crush)

Seein' you and me  
I guess it doesn't take a scientist  
to understand whats going on baby  
If you see something in my eye  
Let's not over analyze  
Don't go too deep with it baby (baby)

So let it be  
what it'll be  
Don't make a fuss and go crazy over you and me  
Here's what I'll do  
I'll play the wuss, not like we have a date with destiny  
It's just (a), a little crush (crush)  
Not like I faint, every time we touch  
It's just (a), some little thing (crush)  
Not like every thing I do  
Depends on you

Sha la la la  
Sha la la la  
(a) (crush)  
(a) (crush)  
(a) (crush)

It's raising my adrenilin'  
You're bankin' on a heart attack  
Please don't make too much of this baby (baby)  
Say that were for ever more  
That's not what I'm looking for  
All I can commit to is maybe (maybe)

So let it be  
What it'll be  
Don't make a fuss and go crazy over you and me  
Here's what I'll do  
I'll play the wuss, not like we have a date with destiny  
(oh)  
It's just (a), a little crush (crush)  
Not like I faint, every time we touch  
It's just (a), some little thing (crush)  
Not like every thing I do  
Depends on you

(yeah-yeah-yeah-yeah)  
every time we touch  
(yeah) (a) (oh babe) (crush)  
Not like every thing I do  
Depends on you
