Anastasia says she's dying to get out  
Been doing this for so long  
Stop this going down  
I would if I could  
I would if I could  
But the money's so good  
The money's so good

Daddy buys her jewelry  
She's got a new tv  
She dates rock stars and actors  
Dreams of being on the big screen  
I would if I could  
I would if I could  
But the money's too good  
Yeah The money's too good

Dance in white stilettos  
She needs to make her rent tonight  
Johnny wants her after hours  
For only a little while

X's 2  
I would if I could  
I would if I could  
But the money feels good  
The money feels good  
The money feels good  
Money feels good

Anastasia says she's dying to get out  
Been doing this for too long  
Stop this going down
