For 68 long days  
I've been walking through the desert of your love  
Trying to find a place  
Where I will never hunger for your love  
(CHORUS)  
I'll get you out of my mind  
Out of my body heart & life  
You'll never see me  
I'll never hurt like that again

I thought I saw you there  
Desperate to hold what once was mine  
I ran to you, begged & pleaded for your love  
I reached for you but there was nothing there  
(CHORUS)  
I'll get you out of my mind  
Out of my body heart & life  
You'll never see me  
I'll never hurt like that again

You know you know  
You know what you did  
You know you know  
You lied & you stole my heart  
You know you know  
Never gonna get it again

For 68 long days  
I've been walking through this desert you call love  
(CHORUS)  
I'll get you out of my mind  
Out of my body heart & life  
You'll never see me  
I'll never hurt like that again  
I'll never hurt like that again
