An empty night, an empty voice
Iâ€™ve seen the scenery for so long
Iâ€™ve made my bed, Iâ€™ve made my choice
Thereâ€™s nothing left for me
Iâ€™m in a tunnel
And I know there is a light
At the end
But I canâ€™t see it

(CHORUS)

I am floating on a cloud in the sky
And I am inside
Warm but not like lying in the sunlight
And I am inside
Iâ€™m tired
I'm tired

I loved you once, I donâ€™t know why
Everything never is quite enough
It may have been blind, but it was mine
Is there a thing as true love
Dear belladonna come
Take me home back to sleep
Donâ€™t bring me down
The milk sugarâ€™s sweet

(CHORUS)

I am floating on a cloud in the sky
And I am inside
Warm but not like lying in the sunlight
And I am inside
Iâ€™m tired
I'm tired

I'm tired

I'm tired

(CHORUS)

I am floating on a cloud in the sky
And I am inside
Warm but not like lying in the sunlight
And I am inside
Iâ€™m tired
I'm tired

I'm tired

I'm tired

Iâ€™m floating on a cloud in the sky
