Empty your memory
Come into my world
I'll be your penny poetry
I'll be your glamour girl

Mirrored violet velveteen
Cinerama dangle dreams

Salvation is your superstar
She'll always make you wait
Her water is your reservoir
She'll make you beg to taste

Silver showers luminescence
Make you believe you stand a chance

Ali Fox is next in line
Bring martinis and your cigarettes
Ali Fox lives in your mind
Swirling Venus in her scarlet mess

I'm everything you think you need
I'm over but not done
You're not afraid to die for me
Too much is not enough

I've got my bow and arrow
I'll go as far as you want me to
I've got my bow and arrow
I'll go as far as you want me to

Come sit beside me
Watch the lovely fire burn

Ali Fox is next in line
Bring martinis and your cigarettes
Ali Fox lives in your mind
Swirling Venus in her scarlet mess

I've got my bow and arrow
I'll go as far as you want me to
I've got my bow and arrow

I'll go as far as you want me to
