You tie me up and you knock me down
Leave me out in the bitter cold
You eat me whole and you spit me out
I wanna die
You rake my skin with your careless knife
You steal my soul turn it inside out
Take what's left of my dignity
I wanna die
(B-SEC)
You cut so hard
You cut so deep
The pains so sharp
I cannot keep it
Worse than pain
There's nothing left to feel
(CHORUS)
Im numb
Yeah Im numb
Numb
Yeah Im numb
Windows are forever closed, I'll never know what it is to
fly
Im numb
You tie me up and you knock me down
Leave me out in the bitter cold
You eat me whole and you spit me out
I wanna die
You rake my skin with your careless knife
You steal my soul turn it inside out
Take what's left of my dignity
I wanna die...I wanna die
(CHORUS)
Im numb
Yeah Im numb
Numb
Yeah Im numb
Windows are forever closed, I'll never know what it is to
fly
Watching as the promise goes
Knowing there's something there that shines
I'm numb
(B-SEC)

You cut so hard
You cut so deep
The pains so sharp
I cannot keep it
Worse than pain
There's nothing left to feel
Worse than pain
There's nothing left
Worse than pain
There's nothing left
To feel
(CHORUS)
Im numb
Yeah Im numb
Numb
Yeah Im numb
Windows are forever closed, I'll never know what it is to
fly
Watching as the promise goes
Knowing there's something there that shines
I'm Numb
