"When The Love Is Gone"

Visit "[When The Love Is Gone](#)" on MotoLyrics.com

My love is lost she is gone forever now I'm alone for the
rest of my life

My sweet love, I love you, until the end will fall

you're the only one, I will love you forever

I can't understand why you've changed those things

you left me without shedding a tear the remembrance

in our past

is turning me insane

My dreams from eternal love are shattered I don't know

what went wrong

the past is gone, but my life is going on... when the love
is gone

Our separation has broken my heart but this is the real
life

I thought that our love was made for eternity but this
was only a lie
