I thought that number one would surely be me
I thought I could be what I wanted to be
I thought that I could build on lives
Sinking in sand
But I realize I can't even walk
Without You holding my hand

I thought that I could do a lot on my own
I thought I, I thought I could make it
All, all alone
I thought, I thought of myself
As a mighty, mighty big man
But I realize I can't even walk

Without You holding my hand

Lord I can't even walk
Without You holding my hand
Because the mountains are so high
And the valleys are so wide
I'm down on my knees
I had to say,
Lord I can't even walk
Without You holding my hand
(repeat)

Lord I can't even walk
Without You holding my hand
Lord I can't even walk
Without You holding my hand
