I got rice cooking in the microwave  
I got a three day beard, I don't plan to shave  
And it's a goofy thing but I just gotta say, I'm doing all  
right  
I think I'll make me some homemade soup  
I'm feeling pretty good and that's the truth  
It's neither drink nor drug induced, no I'm just doing all  
right

And it's a great day to be alive  
I know the sun's still shining when I close my eyes  
It's hard times in the neighborhood  
But why can't everyday be just this good

It's been fifteen years since I left home  
Said good luck to every seed I'd sown  
Gave it my best, then I left it alone  
I hope they're doing all right  
I look in the mirror and what do i see  
a lone wolf there staring back at me  
Head in the clouds but harmless as a tree  
I guess he's doing all right"

And it's a great day to be alive  
I know the sun's still shining when I close my eyes  
It's hard times in the neighborhood  
But why can't everyday be just this good

Sometimes it's lonely  
Sometimes it's only me and the shadows that fill this  
room  
Sometimes I'm falling, desperately calling, howling at  
the moon

It's a colorful life that we go through  
It's neither black or white, nor just shades of blue  
.....Maybe I'll grow me a fu man chu
