Judy Garland, Judy Garland, Judy Garland

I'm always chasing rainbows
Colors painted in the sky
I'm always chasing rainbows
Make ya laugh until you cry
I'm always chasing rainbows
As the clouds roll by
I'm always chasing rainbows
Just don't ask me why

I'm always chasing rainbows
Just like Judy
I'm always chasing rainbows
Just like Judy
I'm always chasing rainbows
Just like Judy
I'm always chasing rainbows
Just like Judy

I'm always chasing rainbows
Wishing I could fly
I'm always chasing rainbows
Live until you die
I'm always chasing rainbows
In the air so high
I'm always chasing rainbows
Life will pass you by

I'm always chasing rainbows
Just like Judy
I'm always chasing rainbows
Just like Judy
I'm always chasing rainbows
Just like Judy
I'm always chasing rainbows
Just like Judy

Here comes the sun
We're singing in the rain
We're looking for answers
Is your life filled with pain?

Some people try to find the sunshine
But they can only find the rain
Some people try to find the answers
All I can ever find is pain

I'm always chasing rainbows
As the years go by
I'm always chasing rainbows
Time to say goodbye

This just in...
The American actress Judy Garland
Was found dead today in her London home
From an apparent overdose of barbiturates

Judy Garland, Judy Garland, Judy Garland

I'm always chasing rainbows
Just like Judy
I'm always chasing rainbows
Just like Judy
I'm always chasing rainbows
Just like Judy
I'm always chasing rainbows
Just like Judy
