Are you the man the challenging man  
Who is the talk of the town  
Are you the one the merciless one  
Who gets every woman down

Are you gonna break my heart  
Are you gonna break my heart

You are so genteel, you are so cool  
Are you just for what they call you

CHORUS

Heartbreaker, heartbreaker  
Come on be a faker  
I'm waiting for your move  
Cheat and deceive baby  
What does it mean maybe  
I'm too good for you

I wanna get to know you right now  
Wanna find out myself  
If you're as evil, if you're as cruel  
As all the others tell

Are you gonna break my heart  
Are you gonna break my heart

I'm gonna take the risk and I'll see  
If you're just what they call you

CHORUS

CHORUS

I'm gonna dare you come with me  
I play with fire everyday since  
We looked in each others eyes  
Your poison strong you melt the ice  
I favour you there's no disguise  
You changed my whole world over night

I'm gonna get control of you  
Uh

(Repeat Chorus)
