[Baby]

Handle it boy...

Shine like a blue moon at bezel  
I shine in the summer or in the rainy weather  
Player look nigga, I can shoot dice  
But you can't break me fella  
I go to my teller cuz I'm high and I need so cheddar  
You little young C.E's need to sell some O's  
And tell your ho's to get out my grill cause I got cash  
flow  
More mo's extremes be these ho's dreams  
Twenty-inch rims Expeditions for the whole team  
Now picture me in Akron city immediately  
And these ho's in my grill acting silly  
Cuz a New Orlean's nigga hit that city  
And I'm locing with my homeboy chilly  
Now player, I play the game the only way I can deal 'em  
dog  
I watch these niggas eye-to-eye so I can see 'em fall  
And the devil got these streets dry cuz niggas packing  
heat  
And real niggas beef is putting real niggas to sleep  
And I might slow down cuz niggas wanna see white  
sheets  
And I'm in club status drinking on Don P  
It ain't no secret I could fuck any bitch in Ohio city  
Cuz these ho's be loving me

[Mannie Fresh]

Have to beat a bitch  
Mistreat a bitch  
Cheat a bitch  
Delete a bitch  
Now who's the shits?  
See my story takes place on the late night  
I was in Ohio trying to get some Ak-right  
Bitch was acting funny so I had to get game  
I said you'll be my queen  
I'll be your king shit I never change  
Now I'm just sitting there looking at the beaver

It's hairy like Barry and it's bigger than Geneva  
Something said stick my finger in so I did  
Then came the two the three the four the thumb and  
ahh shit  
I just don't believe it how can she conceive it?  
My fist, my wrist bitch, you need to Summer's Eve it  
Bitch yo' bush black you smell like--step back  
What the fuck is that?  
Didn't stop me uh-uh it's time to flow  
Best believe Mannie Fresh be packing bro'  
Pulled out the jimmy put it on and went straight to it  
One minute in, SPLASH and I'm draining my fluid  
You niggas lock you ho's up like po-po's  
Cause my dick stay up all night like noone knows

[Chino Nino]

Hooked up with Mannie and Baby  
Now everythang's all gravy  
From New Orleans to the OH-10 we got 'em craving  
Hey yo Baby, why the fuck doubt you man?  
I done seen the black Range Rovers with them TV's  
playing  
See these hands? I'm trying to fill them up with shit  
Fuck that bitch, her brotha mad 'cause she sucked my  
dick  
I don't love that bitch, matter of fact you can keep that  
ho  
I got twenty-five models, twenty-five hot bottles for  
show  
Hey yo Mannie, quit hitting these niggas they can't  
stand it  
Candy ham sandwich take them bandanas for granted  
Chino Nino to my guy Lil Bino from Flam Flawless  
Haters try holding me down, but imma blow this bitch  
regardless  
I rented a 5,000 square-foot bedroom suite  
At 40,000 dollars a week so me and my lady can  
retreat  
Feel the heat, I'm on fire with the Hot Boyz and Big  
Tymers  
You ain't never seen no niggas like this big balling-ass  
rhymers  
I use to roll up, this is a hold up ain't nothing funny  
Stop smiling consider that move with Cash Money  
(Playboy bunny)

[Chino Nino]
