You walked into the party
Like you were walking onto a yacht
Your hat strategically dipped below one eye
Your scarf it was apricot
You had one eye in the mirror
As you watched yourself go by
And all the girls dreamed that they'd be your partner
They'd be your partner and
You're so vain
You probably think this song is about you
You're so vain
I'll bet you think this song is about you
Don't you? Don't you?
You had me several years ago
When I was still quite naive
Well, you said that we made such a pretty pair
And that we would never leave
But you gave away the things you loved
And one of them was me
I had some dreams there were clouds in my coffee
Clouds in my coffee and
You're so vain
You probably think this song is about you
You're so vain
I'll bet you think this song is about you
Don't you? Don't you?
You had one eye in the mirror
As you watched yourself go by
And all the girls dreamed that they'd be your partner
They'd be your partner and
You're so vain
You probably think this song is about you
You're so vain
I'll bet you think this song is about you
Don't you? Don't you?
You walked into the party
Like you were walking onto a yacht
Your hat strategically dipped below one eye
Your scarf it was apricot
And you're where you should be all the time
And when you're not, you're with
Some underworld spy or the wife of a close friend

Wife of a close friend and
You're so vain
You probably think this song is about you
You're so vain
I'll bet you think this song is about you
