I've got what i need  
Got it when i slam hard to the beat  
Bangin' on the system  
Screamin' on the stereo  
Carry on and tell me what you like  
Where you like it  
And how many times  
Bangin' on the system  
Screamin' on the stereo  
'cause we were never feel good factors  
There were never morning afters  
And when i saw you :  
Not much i could do  
'cause we were not as seen on tv  
Maybe we were losers even  
And then you saw me :  
The state of my sheets  
I've got what i need  
Got it on the corner of your street  
Got it when you kiss me  
Got it when you're sick of me too  
Red eyes, bad rash  
Sitcoms, bad hash  
Blowjobs, black eyes :  
Never had them all my life  
Then you came around  
Clearly i was new in this town

'cause we were never feel good factors  
There were never morning afters  
And then i saw you :  
Not much i could do  
'cause we were not as seen on tv  
Maybe we were losers even  
And then you saw me :  
The state of my sheets  
Get a life :  
Got it  
Get a love life :  
I'm on top of it  
Bangin' on the system  
Screamin' on the stereo

I've got what i need  
Got it when i slam hard to the beat  
Bangin' on the system  
Screamin' on the stereo  
'cause we were never feel good factors  
There were never morning afters  
And then i saw you :  
Not much i could do  
'cause we were not as seen on tv  
Maybe we were losers even  
And then you saw me :  
The state of my sheets
