She said she sad
She sad she lonely
Lost in her room
She mad she go
She cry she smoke
Rosie in bloom
She is so high
She is so low
Day after day
So
She said she sad
She sad she lonely
Open your eyes
Riding to rosie
Rosie sixteen
Rosie awakes in the morning
Riding to rosie
Where have you been
Rosie is sick of the weather
Long time no see
Long time no rosie
I like to swim
Every now and then
She swim she wet

She out she dry
Play in the sand
With a plastic boy
Riding to rosie
Rosie sixteen
Rosie is sick of the weather
Rinding to rosie
Where have you been
Rosie is never together
She said she sad
She said she lonely
Lost in her room
She mad she go
She cry she smoke
Rosie in bloom
Riding to rosie
Rosie sixteen

Rosie is sick of the weather
Riding to rosie
Where have you been
Rosie is never together
