Every time I see you in my dreams  
I can feel old tension, I can feel it then for real  
Every time we talk, when I sleep  
After walking up I keep this words, I keep

I don't know if I love or hate my dreams  
It's so subtle division, it's a thin line  
'Cause I meet you only when I sleep, I can't feel right  
I can't feel right by day, I can't right in the light

Every time I see you in my dreams  
I can feel old tension, I can feel it then for real  
Every time we talk, when I sleep  
After walking up I keep this words, I keep

I don't know if I love or hate my dreams  
It's so subtle division, it's a thin line  
'Cause I meet you only when I sleep, I can't feel right  
I can't feel right at night, I can't feel right in the dark
