"Till The Sky Falls Down"

It's been so long since I have touched you
I can't remember how it feels
To have you loving arms around me
This is the pain I've never healed

All my life I have been searching
For someone honest just like you
You left me here without a reason
Every tear belongs to you

I'll be waiting till the sky falls down
Till you come around, baby
I'll be waiting till the sky falls down
Let the rain clouds come

I'll be waiting till the sky falls down
Till you come around, baby

All I need is one good answer
To understand why you were gone
Everything reminds me of you
Without you I can't go on

I'll be waiting till the sky falls down
Till you come around, baby
I'll be waiting till the sky falls down
Let the rain clouds come

I'll be waiting till the sky falls down
Let the rain clouds come

I'll be waiting till the sky falls down
Till you come around, baby
