"Question To Ask Me"

If you got a question to ask me,
I've got a question for you,
I need to know just how you feel about me,
And I can tell you how I feel for you.

Once upon a time, It was easy,
And then it became the hardest part,
Had we both of known it was done for,
Guess we would of played it all the same,

Lately I wonder why,
All the things inside,
Are beginning to play my mind,
Yes it seems like tonight, is another of those nights,
And I'm searching for, my friends.

You tell me that you placed a cloud around me,
I tell you that I placed a cloud on you,

Lets pretend we gave eachother sunshine,
Lets make out and make eachother new.

Lately I wonder why,
All the things inside,
Are beginning to play my mind,
Yes it seems like tonight, is another of those nights,
And I'm searching for, my friends.

INSTRUMENTAL

Lately I wonder why,
All the things inside,
Are beginning to play my mind,
Yes it seems like tonight, is another of those nights,
And I'm searching for,
I'm serching for,
I'm searching for,
My friends.
