I'm not sure of
Anyone, Anyone
But I've got plans
I'm not asking
For everything
But sure I could
Use a hand

Get a little anxious
Sometimes you'll be gone
And I'll be left behind
Get a little nervous
Sometimes it'll be my turn
And I'll forget my lines
Get a little lossler
And some staring from
The corner of my eye
Never really mastered
The cintris

I can't see how
The way you leave me alone
Makes us close
I must be out of touch
I won't ask you
To give up on the things
That seem to keep you gone
But I can be gone too

Feel a little sorry
Sometimes you're not here
When I am writing
Feels a little awkward
Sometimes you won't talk
But we're not fighting
You hold onto your secrets
And I'm not privy
To what is on your mind
I can't help but feel tired
So tired
So tired
