I heard about your trip.
I heard about your souvenirs.
I heard about the cool breeze in the cool nights
And the cool guys
That you spent them with.
I guess I should have heard of them from you
I guess I should have heard of them from you

Don't you see, don't you see,
That the charade is over?
And all the best deceptions
And the clever cover story awards
Go to you.
So kiss me hard cause this'll be the last time that I let
you.

You will be back someday,
And this awkward kiss that tells of other people's
lips
Will be of service
to keeping you away.

I heard about your regrets.
I heard that you were feeling sorry.
I heard from someone that you wished you could
Set things right between us.
I guess I should have heard of that from you
I guess I should have heard of that from you

So don't you see, don't you see,
That the charade is over?
And all the best deceptions
And the clever cover story awards
Go to you.
So kiss me hard cause this'll be the last time that I let
you.

You will be back someday,
And this awkward kiss that screams of other people's
lips
Will be of service

to keeping you away.
to keeping you away.

I'm waiting for blood
To flow to my fingers
I'll be all right when my hands get warm.
Ignoring the phone,
I'd rather say nothing,
I'd rather you never heard my voice.
You're calling too late,
Too late to be gracious.
And you do not warrant long good-byes.
You're calling too late,
You're calling too late.
