Carry this picture for luck  
Kept in a locket  
Tucked in your collar  
Close to your chest  
Make it a secret  
Shown to the closest friends  
And meet me at quarter to 7  
The sun will still shine then  
At this time of year  
We'll head to the inlet  
And we'll share a bottle there

And color the coast with your smile  
Its the most genuine thing  
That ive ever seen  
I was so lost  
But now i believe

And follow me south of the big docks  
They teather the boats  
The rich men revere  
As so important  
They hire our fathers to steer  
And down to the edge of the water  
Where we'll spill our guts  
And we'll name our fears  
I'll give you this picture  
Keep it and don't  
Be  
Scared

And color the coast with your smile  
Its the most genuine thing  
That ive ever seen  
I was so lost  
But now i believe  
And the coast  
Your smile is the most genuine thing  
That ive ever seen  
I was so lost  
But now i believe  
And i believe

Now i believe  
Now i believe
