Oh all right dear  
Have a nice year  
Teach the mean girls  
How to be feared  
And turn the weak ones  
Into servants  
You can't be satisfied  
You just want what you can't have

Oh no, not again  
The shudders, the shaking  
Oh no, not again  
The faint and the faking  
Oh no, oh no, love  
It's not what you're thinking  
I've just had enough at finishing school

Oh all right love  
Here's the good stuff  
You can have it if you want it  
But you want what you can't have

Oh no, not again  
The shudders, the shaking  
Oh no, not again  
The faint and the faking  
Oh no, oh no, love  
It's not what you're thinking  
I've just had enough of your finishing school
