I guess it's luck, but it's the same  
Hard luck, you've been trying to tame  
Maybe it's love, but it's like you said  
Love is like a role that we play

But I beleive in you so much  
I could die for the words that you say  
But I beleive in you so much  
I could die from the words that you say

But you're chasing the ghost of a good thing  
Haunting yourself as the real thing  
Is getting away from you again  
While you're chasing ghosts

I guess it's luck, but it's the same  
Hard luck, you've been trying to tame  
Maybe it's love, but it's like you said  
Love is like a role that we play

But I beleive in you so much  
I could die for the words that you say  
But I beleive in you so much  
I could die from the words that you say

But you're chasing the ghost of a good thing  
Haunting yourself as the real thing  
Is getting away from you again  
While you're chasing ghosts

Just bend the peices till they fit  
Like they were made for it  
But they weren't meant for this  
No, they weren't meant for this

Just bend the peices till they fit  
Like they were made for it  
But they weren't meant for this  
No, they weren't meant for this

Chasing the ghost of a good thing  
Haunting yourself as the real thing

Is getting away, away, away, away  
From you again

Chasing the ghost of a good thing  
Haunting yourself as the real thing  
Is getting away from you again  
While you're chasing ghosts
