Which of the bold face lies will we use?  
I hope that you're happy  
You really deserve it  
This'll be best for us both in the end

But your taste still lingers on my lips  
Like I just placed them upon yours  
And i starve  
I starve for you  
But this new diets liquid  
And dulling to the senses  
And it's crude  
But it will do

So which of the standard lines will we use?  
I've been meaning to call you  
I've just been so busy  
We'll catch up soon  
Lets make it a point to

But your taste still lingers on my lips  
Like I just placed them upon yours  
And i starve  
I starve for you  
But this new diet's liquid  
And dulling to the senses  
And it's crude  
But it will do

It will do  
I hope it will do
