Morning calls for pain relief
A line above the step beneath
The worst that you could do
And the best that you could hope for
Is hardly the best

Tepid waters chase the pills
With turpentine and chamomile
And don't get cheap with the wine
You need to be up all of the time

Shield you eyes, conceal your lies

Don't blink, everyone's watching
They'll think you're up to something
They need for you to be
everything that they cannot

Morning calls for pain relief

The worst that you could do
And the best that you could hope for
Is hardly the best

Tepid waters chase the pills
With turpentine and chamomile
And don't get cheap with the wine
You need to be up all of the time
All of the time

They'll think you're up to something
They need for you to be
Everything that they cannot

Don't blink, everyone's watching
They'll think you're up to something
They need for you to be
everything that they cannot be themselves

Be themselves
