Save up until you've had it
The offer's come but you won't go on
Brought down with the force of nature
Breathing off my lungs

It's not easy to like it
(It's not easy to like it)
It's not easy at all
(It's not easy at all)
It's not easy to like it at all

Fill up to the limit
Winter's come with her appetite
Money clips equipped with paper
Buckets brimming and tied

It's not easy to like it
(It's not easy to like it)
It's not easy at all
(It's not easy at all)
It's not easy to like it at all

Breathing off of my lung
When you breathe off of my lung
Save up till you've had it
Offer's come but you won't go on

Brought down
(The forces of nature)
When you breathe

It's not easy to like it
It's not easy at all
It's breathing off of my lung
