Verse 1

She never mentions the word addiction
in certain company
yes, to tell you shes an orphan
after you meet her family

Verse 2

She paints her eyes as black as night, now
pulls those shades down ---
yeah she gives a smile when the pain comes
the pains gonna make everything alright

Chorus

She says she talks to angels
they call her out by her name
oo yeah she talks to angels
says they call her out by her name

She keeps a lock of hair in her pocket
she wears a cross around her neck
yes the hair is from a little boy
and the cross is someone she has not met
not yet not yet

says they all know her name
