Which of the bold faced
Lies will we use?
I hope that you're happy,
You really deserve it,
This will be best
For us both in the end.

But your taste still
Lingers on my lips
Like I just placed
Them upon yours
And I starve
I starve for you.
But this new diet's liquid
And dulling to the senses.
And it's crude but it will do.

So which of the standard
Lines will we use?
I've been meaning to call you.
I've just been so busy.
We'll catch up soon.
Let's make it a point to.

And your taste still
Lingers on my lips
Like I just placed
Them upon yours
And I starve
I starve for you.
But this new diet's liquid
And dulling to the senses.
And it's crude but it will do.
