So this is odd,  
The painful realization  
That has all gone wrong.  
And nobody cares at all,  
And nobody cares at all.

So you buried  
All your lover's clothes  
And burned the letters lover wrote,  
But it doesn't make it any better.  
Does it make it any better?  
And the plaster dented from your fist  
In the hall where you had your first Kiss  
Reminds you that the memories will Fade.

So this is strange,  
Our sidestepping has  
Come to be a brilliant dance  
Where nobody leads at all,  
Where nobody leads at all.

And the picture frames are facing down  
And the ringing from this empty sound  
Is deafening and keeping you from sleep.  
And breathing is a foreign task  
And thinking is just too much to ask  
And you're measuring your  
Minutes by a clock that's blinking Eights.

This is incredible.  
Starving, insatiable,  
Yes, this is love for the first time.  
Well you'd like to think  
That you were invincible.  
Yeah, well weren't we all once Before  
We felt loss for the first time?  
Well this is the last time.
