So
I've seen the truth is
That you've been leaving
Since the day you showed
Oh well
I've seen your little cut and run routine
Enough times now to have it memorized

So there's no surprise
It's so sad enough to be a fine mess
But it's shaping up to be a cold and lonely party
For a cold and lonely girl

With the sights set on the big exit
With a chase and a catch and some makeup sex
So it feels a bit less lonely
For a cold and lonely girl

So
I could see the angles you play
And I've played your games
Since the day you showed
Oh when
I've had you about as much I want to
Enough times now to have it memorized

So there's no surprise
It's so sad enough to be a fine mess
But it's shaping up to be a cold and lonely party
For a cold and lonely girl

With the sights set on the big exit
With a chase and a catch and some makeup sex
So it feels a bit less lonely
For a cold and lonely girl

All I ever wanted for you
Was to stand on your own
All I ever wanted for you
Was to stand on your own

So there's no surprise
It's so sad enough to be a fine mess
But it's shaping up to be a cold and lonely party
For a cold and lonely girl

With the sights set on the big exit
With a chase and a catch and some makeup sex
So it feels a bit less lonely
For a cold and lonely girl
So it feels a bit less lonely
For a cold and lonely girl
So it feels a bit less lonely
For a cold and lonely girl
