Taste

I love the taste

I need its warm rush

Rush

I need the rush

To pulse through my veins

And I'll love you tonight

Oh I love you tonight

And tomorrow you may just

Feel the same

Please don't bite down

I will know I'm alive

Rush

There is no rush

There is no reason

To blush

There's only us

To keep it between

And I'll love you tonight

I will love you tonight

And tomorrow we may just feel the same

And I won't bite down

'Til the moment counts

And I'll know I'm alive

And I'll know I'm alive

Give me some teeth

Give me something

Unforgettable

And I'll know I'm alive

And I'll know I'm alive

And I'll know I'm alive

And the moment's right

And I'll know I'm alive
And I'll know I'm alive
Give me some teeth
Give me something
Unforgettable
And I'll know I'm alive

And I'll know I'm alive
And I'll know that I am alive
