So this is odd  
Painful realization that all has gone wrong  
And nobody cares at all  
And nobody cares at all

So you buried all your lovers clothes  
And burned the letters lover wrote  
But it doesn't make it any better  
Doesn't make it any better

And the plaster dented from your fist  
In the hall where you had your first kiss  
Reminds you that the memories will fade

So this is strange  
A side stepping has come to be a brilliant dance  
Where nobody leads at all  
Where nobody leads at all

And the picture frames are facing down  
And the ringing from this empty sound  
Is deafening and keeping you from sleep

And breathing is a foreign task  
And thinking's just too much to ask  
And you're measuring your minutes  
By a clock that's blinking eights

And this is incredible, starving, insatiable  
Yes, this is love for the first time  
And you'd like to think that you were invincible  
Yeah, well, weren't we all once before we felt lost for  
the first time

Well, this is the last time  
This is the last time  
This is the last time
