When your day is long
And the night, the night is your's alone
When you're sure you've had enough
Of this life to hang on

Don't let yourself go
'Cause everybody cries
And everybody hurts sometimes

Sometimes everything is wrong
Now it's time to sing along
When your day is night hold on
Hold on

If you feel like letting go
(Hold on)
If you're sure you've had too much
Of this life to hang on

'Cause everybody hurts
Take comfort in your friends
And everybody hurts

Don't blow your hand, oh, no
Don't blow your hand
If you feel like you're alone
No, no, no, not alone

If you're on your own in this life
And the days and nights are long
You think you've had too much
Of this life to hang on

Everybody hurts
Sometimes everybody cries
And everybody hurts sometimes
Everybody hurts sometimes

So hold on, hold on
Hold on, hold on
Hold on, hold on

Hold on, hold on
