Greatest in the world

Bill's dance hall in Bilbao - Bilbao - Bilbao - the  
Greatest in the world

I know you wouldn't like it - it's not your thing  
Here were love is only master under the moon  
Joe! play that old-time music

That old Bilbao moon - I've said it often  
That old Bilbao moon - he was used to Brazilian cigars  
That old Bilbao moon - he never held me down  
That old Bilbao moon - there! love was worth while  
I'm not so sure you would have liked it there  
But it was beautiful - it was so beautiful  
The most beautiful - in the world

Bill's dance hall in Bilbao - Bilbao - Bilbao - the  
Greatest in the world

That old Bilbao moon - he never held me down  
That old Bilbao moon - there! love was worth while  
I'm not so sure you would have liked it there  
But it was beautiful - it was so beautiful  
The most beautiful

I'm not so sure you would have liked it there  
But it was beautiful - it was so beautiful  
The most beautiful - in the world
