Ein - zwei - drei - vier...

I was lost in a seedy crowd - in and out of the life in

The streets

With Romy Haag - with Romy Haag

Thunderous bodies wrapped in light -

To catch you out all naked inside

From Romy Haag - from Romy Haag

Ein - zwei - drei - vier

Just an island within an island - faces on the streets

That I will remember

Of Romy Haag - of Romy Haag

Ein - zwei - drei - vier

Of Romy Haag - of Romy Haag - ein - zwei - drei - vier

Of Romy Haag - of Romy Haag...
