Sex me up
And I'll sex you down
Whatever you want
Is my command

I'm into S & M, butch or femme
And now don't you understand
I'm into any ma'am

Sex me up
And I'll sex you down
I get on the floor
I'll turn around

Get on my hands and knees
On your command I'll freeze
I hope this never cease
Come get me, won't you please

But she won't hold me
And she won't squeeze me
From what she told me
She'd never please me

But she won't hold me
And she won't squeeze me
From what she told me
She'd only tease me

She said, "Sex me up
And I'll sex you down
Whatever you want
Is my command"

I'm into S & M, butch or femme
And now don't you understand
I'm into any, ma'am

But she won't hold me
And she won't squeeze me
From what she told me
She'd never please me

But she won't hold me
And she won't squeeze me
From what she told me
She'd only tease me

Sex me up and I'll sex you down
Sex me up and I'll sex you down
Sex me up and I'll sex you down
