Don't come knocking on my door
I don't wanna see your face no more
'Cause, girl, it's really smart
To forget I keep in the dark

So I say, let's move on
Wanna keep outta sight, outta mind
Outta sight, outta mind

Oh, just, just a shame
Not that I'm about to take the blame
Please find, find the heart
Say goodbye, learn to play the part

So I say, let's move on
Wanna keep outta sight, outta mind
Outta sight, outta mind

Don't come knocking on my door
I don't wanna see your face no more
It ain't a pleasure to see you go
But I'm much too cold to let you know

So I say, let's move on

Wanna keep outta sight, outta mind
Outta sight, outta mind

(Outta mind)
Don't come knocking on my door
(Outta mind)
I don't wanna see your face no more

(Outta mind)
Don't come knocking on my door
(Outta mind)
I don't wanna see your face no more

Don't come knocking on my door
Don't come knocking on my door
Don't come knocking on my door
Don't come knocking on my door

Don't come knocking on my door
Don't come knocking on my door
Don't come knocking on my door
Don't come knocking on my door

Don't come knocking on my door
Don't come knocking on my door
Don't come knocking on my door
Don't come knocking on my door
