Hurry up and wait, stand in line  
Well, I got better things to do with my time  
Hold my hand just for tonight  
For that's the done thing for kids our age right

Well, that sure ain't cute so I'm gonna turn away  
(My, my, my my baby)  
Sure ain't cute so I'm gonna turn away  
(My, my, my my baby)  
Sure ain't cute, it sure ain't right  
So out of touch, I keep out of sight  
'Cause it can't and it won't and it can't

Stop the mechanism, start up the works  
From the top of the stairs to the cellar it lurks  
Hold my hand just for tonight  
For that's the done thing for kids our age right

Well, that sure ain't cute so I'm gonna turn away  
(My, my, my my baby)

Sure ain't cute so I'm gonna turn away  
(My, my, my my baby)  
Sure ain't cute, it sure ain't right  
So out of touch, I keep out of sight  
'Cause it can't and it won't and it can't stop  
Oh, no, no

Hey, liked your smile  
You don't know about fashion  
But you know about style  
Oh, it's a sin, how you gave it up  
How you let them win

I'm sorry I don't mean to pry  
I've sucked the conversation dry  
'Cause it can't and it won't and it can't stop

Well, that sure ain't cute so I'm gonna turn away  
(My, my, my my baby)  
Sure ain't cute so I'm gonna turn away  
(My, my, my my baby)

That sure ain't cute so I'm gonna turn away  
(My, my, my my baby)  
Sure ain't cute so I'm gonna turn away  
(My, my, my my baby)
