From here to there to everywhere
And back to Union Square
Where do I get some sleep?
Anywhere the sleep dust lies
It decorates your eyes
Where do I get some sleep

Stranded in June
Whistling the same old tune
But I do believe I might be having fun,
I believe I might be having fun.
Impeccably dressed,
In your second hand vest,
We were waiting for the taxi to come.

Putting on my daytime eyes
A good enough disguise
Until I get some sleep.
Reading out the horriscopes,
And using up our jokes
When do we get some sleep,

Stand on the moon;
Find the light of my living groom.
I believe I might be having fun I believe,
I might be having fun.

Tune into the station,
Make a dedication,
This is going out to everyone,

This is going out to everyone;
This is going out to everyone.
Something in the phrasing was quietly amazing
We were waiting for the chorus to come.
This is going out to everyone,
This is going out to everyone

From here to there
To everywhere
And back to union square
Where do I get some sleep?

Stranded in June
Whistling the same old tune
Yes I do believe I might be having fun,
I believe I might be having fun.

Tune into the station
Make a dedication
This is going out to everyone
This is going out to everyone,
This is going out to everyone,
This is going out to everyone.
Going out to everyone
This is going out to everyone
