"Good Love"

Deadbeats in the hall
Lost souls in the back room
Where do I find a good love
Looking out for a good love
Where do I find a good love round here

Rich men want to own you
Find a way to control you
But how do I find a good love
Looking for things I shouldn't have
Has anybody got a good love right here

Oh, I think I'd know by now
I should know by now
How do I find a good love

Oh, could it be one day now
Is it one day now
How do I find a good love
How do I find a good love

Running scared from yourself
Waiting out on a bad moon
But is there still time for good love
Would you recognize a good love, good love
If even by chance a good love found you

Oh, I think I'd know by now
I should know by now
How do I find a good love
Oh, could it be one day now

Is it one day now
How do I find a good love
How do I find a good love
Ooh, ooh, ooh

How do I find a good love
How do I find a good love
How do I find a good love

How do I find a good love
How do I find a good love, good love
How do I find a good love

How do I find a good love
How do I find a good love
How do I find a good love
