Don't make me laugh
I'm not sure I'll feel it now
Believe in the reason
Straight from your heart
What you gonna tell your friends?
When they ask you all about it

CHORUS:

I guess that's alright
Always saying I don't mind and I say it all the time
I don't mean it

Don't even start
I'm not even listening now
No feeling I'm hearing
Straight from your heart
What you gonna tell your friends?
When they ask you all about it

CHORUS TWICE

I don't mean it (*6)

CHORUS TWICE

I don't mean it (*6)
