Something's gotten hold of my heart
Keeping my soul and my senses apart
Something has invaded my night
Cutting its way through my dreams like a knife
Turning me up, turning me down
Making me smile and making me frown

In a world that was small, I once lived in a time
That was peace with no trouble at all
But then you came my way
And a feeling unknown shook my heart made me want
you to stay
All of my nights, and all of my days

Yeah, I wanna tell you now, something's gotten hold of
my hand
Dragging my soul to a beautiful land
Yeah, something has invaded my night
Painting my sleep with a colour so bright
Changing the grey, changing the blue
Scarlet for me and scarlet for you

I've got to know if this is the real thing
I've got to know what's making my heart sing
Woah, woah, woah, yeah.
You smile and then I'm lost for a lifetime
Each minute spent with you is the right time
Every hour, yeah, every day yeah
You touch me and my mind goes astray
And baby, and baby

Something's gotten hold of my heart
Keeping my soul and my senses apart
Something has invaded my night
Cutting its way through my dreams like a knife
Changing the grey, changing the blue
Scarlet for me and scarlet for you
