Don't stray
Don't ever go away
I should be much to smart for this
You know it gets the better of me

Sometimes
When you and I collide
I fall into an ocean of you
Pull me out in time
Don't let me drown Let me down
I say it's all because of you

And here I go
Losing my control
I'm practicing your name
So I can say it to your face

It doesn't seem right
To look you in the eye
And let all the things you mean to me
Come tumbling out my mouth indeed It's time
Tell you why
I say it's infinitely true

Say you'll stay
Don't come and go Like you do
Sway my way
Yeah I need to know All about you

And there's no cure
And no way to be sure
Why everythings turned inside out
Instilling so much doubt
It makes me so tired
I feel so uninspired
My head is battling with my heart
My logic has been torn apart

And now
It all turns sour
Comes sweet in
Every afternoon

Say you'll stay
Don't come and go Like you do
Sway my way
Yeah I need to know All about you
Say you'll stay
Don't come and go Like you do

Sway my way
Yeah I need to know All about you
It's all because of you
It's all because of you

(Intro)
And now
It all turns sour Comes sweet in
Every afternoon

It's time
Tell you why
I say it's infinitely true

Say you'll stay
Don't come and go Like you do
Sway my way
Yeah I need to know All about you

Say you'll stay
Don't come and go Like you do
Sway my way
Yeah I need to know All about you

It's all because of you
It's all because of you
It's all because of you
