Like a moth into a flame, I'm hypnotized  
and like a stone i'm paralyzed  
'cause i can't look away.  
You find your way under my skin,  
I'm trying not to love you but I hate the way I keep givin'  
into you, like i always do, no matter how i try.  
Or maybe could it be, that your the part of me  
that's keeping me alive.

How am I supposed to break this spell you've got me  
under  
I'm so addicted to the pain.  
Got your poison running through my veins.  
The way you pull me in, the way you chew me up, the  
way you spit me out.  
I keep coming back, i cant get enough, i can't go  
without .... you

I could fight you till the end  
but i will lose you if I win so I guess I'll just keep on  
giving  
into you, like i always do, no matter how i try.  
Or maybe could it be, that your the part of me, that's  
keeping me alive.

How am I supposed to break this spell you've got me  
under...  
I'm so addicted to the pain.  
Got your poison running through my veins.  
The way you pull me in, the way you chew me up, the  
way you spit me out.  
I keep coming back, i can't get enough, i can't go  
without .... you

This feeling is far from sober,  
There's beauty buried deep inside,  
You're the only one who gets me high.  
And I know it's far from over  
And as you can see, you're the part of me  
that's keeping me alive.

How am I supposed to break this spell you've got me

under...  
I'm so addicted to the pain.  
Got your poison running through my veins.  
The way you pull me in, the way you chew me up, the  
way you spit me out.  
I keep coming back I can't get enough I can't go without  
The way you pull me in, the way you chew me up, the  
way you spit me out.  
I keep coming back, I can't get enough I can't go  
without , whoa  
I keep coming back, i can't get enough I can't go  
without .... youâ€¦!
