Well I was moving at the speed of sound.  
Head-spinning, couldn't find my way around, and  
Didn't know that I was going down.  
Yeah, yeah.  
Where I've been, well it's all a blur.  
What I was looking for, I'm not sure.  
Too late and didn't see it coming.  
Yeah, yeah.

And then I crashed into you,  
And I went up in flames.  
Could've been the death of me,  
But then you breathed your breath in me.  
And I crashed into you,  
Like a runaway train.  
You will consume me,  
But I can't walk away.

Somehow, I couldn't stop myself.  
I just wanted to know how it felt.  
Too strong, I couldn't hold on.  
Yeah, yeah.  
Now I'm just tryin' to make some sense  
Out of how and why this happened.  
Where we're heading, there's just no knowing.  
Yeah, yeah.

And then I crashed into you,

And I went up in flames.  
Could've been the death of me,  
But then you breathed your breath in me.  
And I crashed into you,  
Like a runaway train.  
You will consume me,  
But I can't walk away.

From your face, your eyes  
Are burning to me.  
You saved me, you gave me  
Just what I need.  
Oh, just what I need.

And then I crashed into you,  
And I went up in flames.  
Could've been the death of me,  
But then you breathed your breath in me.  
And I crashed into you,  
Like a runaway train.  
You will consume me,  
But I can't walk away.

And then I crashed into you,  
And then I crashed into you,  
And then I crashed into you,  
And then I crashed into you,  
And I crashed into you,  
Like a runaway train.  
You will consume me,  
But I can't walk away.
