I've practiced this for hours, gone round and round  
And now I think that I've got it all down  
And as I say it louder I love how it sounds  
Cause I'm not taking the easy way out  
Not wrapping this in ribbons  
Shouldn't have to give a reason why

It's no surprise I won't be here tomorrow  
I can't believe that I stayed till today  
Yeah you and I will be a tough act to follow  
But I know in time we'll find this was no surprise

It came out like a river once I let it out  
When I thought that I wouldn't know how  
Held onto it forever just pushing it down  
Felt so good to let go of it now  
Not wrapping this in ribbons  
Shouldn't have to give a reason why

It's no surprise I won't be here tomorrow  
I can't believe that I stayed till today  
There's nothing here in this heart left to borrow  
There's nothing here in this soul left to say  
Don't be surprised when we hate this tomorrow  
God know we tried to find an easier way

Yeah you and I will be a tough act to follow  
But I know in time we'll find this was no surprise

Our favorite place we used to go  
The warm embrace that no one knows  
The loving look that's left your eyes  
That's why this comes as no, as no surprise

If I could see the future and how this plays out  
I bet it's better than where we are now  
But after going through this, it's easier to see the  
reason why

It's no surprise I won't be here tomorrow  
I can't believe that I stayed till today  
Yeah you and I will be a tough act to follow

But I know in time we'll find this was no surprise

The kiss goodnight, it comes with me  
Both wrong and right, our memories  
The whispering before we sleep, just one more thing  
that you can't keep  
Our favorite place we used to go  
The warm embrace that no one knows  
The loving look that's left your eyes  
But I know in time we'll find this was no surprise
