They say we need to be  
A certain way to fit the mold  
Or so they say  
But who's they

How can we pretend  
To care and bend because we're told  
We're not OK  
Who's they?  
Who's they?  
Who's they?

They say we need to be  
A certain way to fit the mold  
Or so they say  
But who's they?

How can we pretend  
To care and bend because we 're told  
We're not OK  
Who's they?  
Who's they?  
Who's they?

We can't go wrong  
When we all stand tall  
And we sing the same song  
We'll find it hard not to get along  
We can't go wrong  
When we all stand tall  
And we sing the same song  
We'll find it hard not to get along

We'll find it hard not to sing along  
La da da da da da [x3]

We'll find it hard not to sing along  
La da da da da da [x2]  
La daaaaaaaaaa

We'll find it hard not to sing along

La da da da da da [x3]  
da da da da da

We'll find it hard not to sing along  
la da da da da da [x2]

Oh  
We'll find it hard not to sing along  
La da da da da da  
La da da da da da  
La da da da da da da da da da da
